Praise the Almighty God! On behalf of Bishop Stuart University (BSU), Management and on my own behalf, I take this opportunity to warmly welcome you all to our 16th Graduation Ceremony today the 26th March, 2021 and our first ever virtual Graduation Ceremony. To our graduands, we sincerely congratulate you upon your successful completion of the different academic programmes. We thank God that you are graduating from BSU - a Chartered University. Today, you are officially joining the BSU Alumni and world of work in various professions in different parts of Uganda and the world over.

Bishop Stuart University (BSU) is a private, not-for-profit education institution established by Ankole Diocese of the Province of the Anglican Church of Uganda to provide Christian based higher education, training and research for the expansion of God's Kingdom and for betterment of society. We thank God for the far he has brought us as a Christian University. BSU was founded in 2002, received provisional license in 2006 and was chartered on the 25th October, 2014.

## VICE-CHANCELLOR'S SPEECH

The University has since its inception graduated 16,977. This number is inclusive of today's graduates, and majority of whom are employed both in the private and public sector. To date, the University has grown into five faculties, namely; Faculty of Business, Economics and Governance; Faculty of Agriculture, Environmental Sciences and Technology; Faculty of Education, Arts and Media Studies; Faculty of Law; and Faculty of Nursing and Health Sciences.

BSU was graded as one of the best and fastest growing Universities in Uganda. It was ranked 10th by Webometrics between June, 2020 - January, 2021 (Web Ranking of Universities). We have also grown in terms of student enrolment from 200 students in 2002 to over 5,000 students in 2021.

Our Guest of Honour and invited guests, what we are witnessing today are the fruits of numerous contributions and sacrifices over the last 18 years by Ankole Diocese, the Government of Uganda, Development partners, Organisations, Staff students, various individuals and well-wishers.

We are grateful, especially to parents, guardians and partners, that you have chosen to share your time with us this day as we celebrate our 1st ever virtual Graduation with 1898 students graduating in different disciplines.

Our Guest of Honour, we are delighted to warmly welcome you on your first visit to BSU. We extend our appreciation to the Israel, the government for the collaborations we have in internship training in Agrostudies and skills enhancement to our learners and Ugandans generally for over 5 years.

BSU is among the few Universities in Uganda that were approved by National Council for Higher Education (NCHE) to conduct on-line class through Open Distance and e-Learning (ODeL).

The transition from face to face classes to ODeL and on-line classes has been a painful

labour. It is therefore impossible to mention a rose without a thorn, thus challenges of the outbreak of COVID-19 and subsequent lockdown in the country and world over hit us badly. However, diamonds are best made under pressure, thus BSU has emerged stronger under "The New Normal, New Foundation and New Me".

Indeed, this 16th Graduation is demonstration that the capacity of BSU is unquestionable in terms of services delivery to our learners, parents, guardians and Society. The resilience of BSU Board of Trustees, Governing Council and unwavering Management, Staff and Students can now proudly be celebrated. Bravo! Bravo! Bravo!

Covid-19 has also brought up new opportunities that we can copy from and manage public affairs as we move forward. We cannot go back to where we were. BSU Governing Council approved online policy and so our teaching materials are now in VLE. We are ready to teach students all over the world now as BSU.

Our Guest of Honour, Chancellor, Ladies and gentlemen, I have the honour to present today 1898 graduands. Out of these, 34 are Masters, 45 Postgraduate Diplomas, 1245 Bachelors, 515 Ordinary Diplomas and 58 Certificates. This is a crowning moment for you graduands/parents/guardians/sponsors for all the sacrifices you have made in pursuit of knowledge. We are very proud of you and congratulations on your achievements. We urge you to maintain the intellectual curiosity and extend your horizons and take over territories (Joshua 1: 1-9). Please unravel the next discovery and pursue your dreams to make this a better world to live in and fly high the flag of BSU.

### **SOME KEY REGISTERED ACHIEVEMENTS**

**1. Adoption of Open Distance and e-Learning (ODeL);** BSU has wholesomely embraced the guidelines from NCHE and developed an e-learning system that was approved by the Governing Council and entire BSU. BSU established an On-line teaching and learning system; the Virtual Learning Environment (VLE), social media platforms, emails for delivery of teaching and learning materials to students in this COVID-19 pandemic. To this were are studying under ODeL with Fresher's (Novices) and Continuing Students 1st Semester of Academic Year 2020/2021. All our 89 programs are

accredited by NCHE to run under ODeL.

**2. BSU e-learning programmes with Trinity Western University (TWU) Canada:** The University signed a memorandum of Understanding with Trinity Western University for online teaching and learning systems powered by Moodle. BSU has established a Facilitated Academic Resource (FAR) learning Centre to house and support the learning community of TWU at BSU. We appreciate TWU for the generous donation of 15,000 USD that helped us to quickly adopt to ODeL. Our Programs of study have been submitted to NCHE for accreditation, and once approved you will study in Canada while here at BSU.

**3. Purchase of the ZeeVasity under ZeeNode Ltd.** This is an integrated AR and Finances Records system. Now all our Finances and Academic records are integrated. Immense contributions in the development of our strategic plan were given and we have a Strategic Plan for 2021-2025. We applaud our renowned expert panellists and discussants namely; Prof. Aaron Mushengyezi (VC UCU); Dr. Patrick Bitature (Founder & CEO Protea Hotels); Prof. Balunywa Wasswa (Principal MUBS); Prof. Philip Laird (Provost, Trinity Western University Canada); Dr. Kedrace Turyagyenda (Director ESA, MOES); Prof. Betty Ezati (Mak); Prof. Jude Lubega (DVC Nkumba University); Prof. Birevu Muyinda (Mak); Prof. William Bazeyo (Mak) and our Chancellor & Bishop of Ankole Diocese, Rt. Rev. Dr. Fred Sheldon Mwesigwa and all Friends of BSU.

**5. Agro-studies Programme to Israel:** BSU has an MOU with Israel for Agro-Studies programme. A total number of 210 students have benefitted from the programme since 2014. BSU annually sends Agriculture students to Israel for apprenticeship through the

Agro Studies programme for skills development. The BSU contingent has been highly commended for their diligence and our students have demonstrated a mindset change in transforming Agriculture in Uganda.

### **c. Message to our dear graduands**

Our theme for 2021 is our Core value no. 5 Relentless service to Society and is backed by the scripture; Colossians 3:23-25 "whatever you do, work at it with all your heart, as if working for the Lord, not for men... God doesn't show favouritism" as you have been officially commissioned to go into the society to serve, BSU argues you to work with humility, excellence as paying attention to detail in a Christian manner and character that is Christ like. The Lord Jesus Christ pays well all who work in his vineyard and you will receive an inheritance from the Lord as a reward. It is the Lord Jesus Christ you are serving, thus no Job Insecurity!

## VICE-CHANCELLOR'S SPEECH

To sustain the University, family and personal legacy be the torch to light the World. Your success is our success." You need to live up to your dreams if you are to be successful in life.

The development and transformation in the Nations require skilled global Leaders/operators that can stand a test of time for which am sure you are. Let nothing divert your attention and energy from executing your duties and fulfilling your assigned responsibilities with a high degree of professionalism and following the acceptable work ethics as our vision statement of; "Producing multi-sectorial leaders/operators, who know the way, show the way and go the way of Christ".

Finally, our graduands be gentle, noble and focused, you will be elevated to greatness due to your Godly Character and Positive Attitude with Zeal to do any good work (2 Timothy 2:20-23). Blessings and congratulations as you graduate and journey the world of work to the Glory of God.

## CONGRATULATORY MESSAGE BY AR TO THE GRADUANDS

As we celebrate this most auspicious 16th Graduation ceremony of BSU in this new normal, I feel greatly honored and privileged to congratulate you upon successful completion of your studies. You have toiled through thick and thin and at long last you are today reaping the long-cherished harvest.

The awards you have received today are just the springboard to greater heights in your career and profession.

The nation and the world need your skills. You have only acquired the basic and fundamental skills but you need to nature your mind set and attitude in order to fit into the global job demand and expectation. This means that you have to think outside of the box with a clear multiple abilities and positive mind to plan a head, positively design and create something new which has value.

Adhere to your ethics and professionalism at your work place. Uganda needs ethical and professional men and women in her service both in public and private sectors. I urge you to love your mother Nation (Uganda). Remember you have been a student and some body has been there for you with support. It may no longer be so.

Do not use your heads for decorations. Subject yourself to sound thinking until you come up with something. Do not sit at home if there no jobs yet but swing in and make your own job.

In an art shell, I wish you a nice and happy virtual graduation ceremony but asking you to be role models at your work places and communities. Have a positive mind to be a job maker rather than a job seeker.

Our God Reigns
